REALTY CONSULTANTS

Advanced Realty Consultants, Ltd., is a full service Real Estate Brokerage based in Sugar Grove, Illinois. The firm, founded in 2008, provides Real Estate Brokerage, REO Asset and Property Management, Broker Pricing Opinion (BPO), Consulting, Investment, and Development services for retail, industrial, office, and residential properties.

Advanced Realty Consultants, Ltd's mission is to provide quality real estate services with honesty and integrity to our clients who share the same values. We are committed to achieving the highest level of professional standards and to ensure our client's satisfaction.

Because of our firm's size and the range of our staff's experience, we can offer our clients a special kind of personal service and attention that many larger firms can't offer. The talented professionals of Advanced Realty Consultants possess a comprehensive understanding of available products, market trends, financial options, and negotiating techniques.

From buying, selling, tenant representation, to large investment transactions, we carefully listen to our clients and analyze their requirements and objectives. Advanced Realty Consultants does not profess to have all the answers, but we work with our clients to collectively determine the best approach to accomplish their goals. We then take the necessary steps to conduct research and to create and implement an action plan designed not only to meet but to exceed our clients' objectives.

Advanced Realty Consultants record of success has come from our pursuit of excellence in service, our dedicated staff, and most importantly, our unfailing commitment to our clients.
